Except where there are no navigable extensions at both ends of the starting line, no yacht shall race within the triangle formed by the starting line outer limits and the first mark during the **3 minutes** before her starting signal unless she subsequently passes outside, round to leeward, of one of the marks at the end of the start line where these marks are surrounded by navigable water.

- 7 Black Flag Rule – ISAF 30.2. If a black flag or International Code Numerical Pennant 9 has been displayed before the class warning signal no part of a boat's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted, or resailed or rescheduled, but not if it is postponed or abandoned before the starting signal. If a general recall is signaled or the race is abandoned after the starting signal, the race committee shall display her sail number before the next warning signal for that race, and if the race is restarted or resailed she shall not sail in it. If she does so, her disqualification shall not be excluded in calculating her series score.

These will be in accordance with the ISAF Rules.

Attention is drawn to the fact that signals may be flown from the committee boat, ashore mast or both.
